Amaia Zubia

Management & Leadership Development Consulting
London

Summary

I support senior managers, teams and leaders to higher levels of business and professional success.

In order to do this I consult, coach, facilitate and implement solutions from diagnosis to design and delivery.

I am a Business Psychologist and L&D professional with 20 years experience in management, operations and people related roles including Employee Relations, Talent Management and Learning & Development. I am strategic, action orientated, driven and responsible.

Experience

AmaiaZubia.com

Management & Leadership Development Consulting
September 2016 - Present (5 years 5 months)
London, United Kingdom

We support leaders, teams and organisations by:

- 1 - Consulting on current culture and Learning & Development (L&D) approaches.
- 2 - Facilitating developmental programs that at their core focus on creating better internal connection and enhancing leadership skills and capacity.
- 3 - Coaching leaders, managers and their teams in their learning, growth and transformation.

We bring a unique blend of professionalism and insights based on systemic and generative approaches. Our aim is to help develop the next generation of conscious leaders who are in tune with themselves and the world they operate in while balancing the ego and soul of their organisations.
